

Name: Priya Sharma

Email: priya.sharma@email.com

Location: Bangalore, India

Summary:

Machine Learning Engineer with 2.5 years of experience in building and deploying ML models. Skilled in Python, Scikit-learn, and FastAPI.

Skills:

- **Programming: Python, SQL**
- **Libraries: Scikit-learn, TensorFlow, Pandas, NumPy**
- **APIs: FastAPI, Flask**
- **Tools: Git, Docker, Postman**
- **Cloud: AWS basics**

Experience:

Machine Learning Engineer

XYZ Tech | July 2022 – Present

- **Developed classification models using Scikit-learn**
- **Built and deployed APIs using FastAPI**
- **Improved model accuracy by 15% through hyperparameter tuning**

Education:

B.Tech in Computer Science, 2022

National Institute of Technology, Trichy
